Nationals Win Second Game---Gessler Knocks Ball Over Fence

Dixie Walker Shows Rare Form and Allows Only Four Hits-Gessler Smashes Out Home Run.

Diric Walker's trusty right arm steered the Nationals to a well-carned 4 to 0 victory over the Cleveland Nape yesterday.

It was Walker's last chance, and that the big fellow made good shows he has the stuff in him, and from now on better things may be expected.

Mannger McAleer got hold of Walker before yesterday's game and told him in plain words that he expected him to show the fans of Washington why he (Walker) was drawing wares from the ball club. The boss intimated very plainly that unless Dixle gave a correct imitation of how to pitch, a change of somery might be expected. This may or may not explain yesterday's result.

Eixle deserves a whole lot of credit, at that, for his performance. Twice he was in tight holes, but settled down and retired the side. His teammates behind him rendered stone wall support, and were able to bunch swats off Blanding at the right time. Doc Gessler drove in two of the runs with a homer over the right field fence in the fourth, and made a ripping double in the sixth.

Gessier's hitting and a great stop of a hrown ball by Kid Elberfeld were easily the features of the melec. Hianding statched a fair game for the visitors and proved troublesome to all but four members of the home flock.

Milan broke open the Nationals' first round by crashing to left for a single, going to second as the ball got away from Graney. Schaefer planted a pretty sacrifice in from of the plate, and Milan beat it for third. Leilvelt smashed to Ball, who knocked down the pill with one hand, Milan beceaing over the plate. Griggs puts up a fair game at first base, but his hitting would add a lot of strength to the Nationals, and Mc-Aleer should, if he has not done so, make every effort to grab this player.
